Hello everyone,

This week we have for you mostly new releases, and a lot of them as the GenCon releases continue to roll in! We have Dragon Magic, The Twilight Tomb and Faiths of Eberron from WOTC, two new Dungeon Crawl Classic modules, new Shadowrun, Dragonlance and Serenity, new Aberrant, Flames of War, Warhammer & LotR, boardgames from Omega (Sim Canada remakes), Worthington Games, Fantasy Flight, Atlas, GMT and lots more! We also are offering several "box lots" be sure to check those out if your looking for a big stack of classic gaming material at a great price.

NOTE: All Dungeons & Dragons miniatures will have a retail price change on September 22nd. Wizards has raised the retail a few dollars per pack. We will continue offering the old prices until shortly after that time!
