June 2, 2007

Hello everyone,

This week our most exciting releases are the long awaited Star Wars - Saga Edition RPG and the HUGE WW2 boardgame Tide of Iron from FFG. All in stock and shipping! Also we have Societates for Ars Magica, Swift & Bold Expansion for Lock N Load, several new Perry Moore wargames, Warcraft CCG - Molten Core, Federation Commander Academy, Castlemourn by Ed Greenwood, Mansions of Madness (2nd Edition) for Cthulhu (btw, Delta Green d20 is sold out, but we are getting more, no ETA yet), new Exalted and Worlds of Darkness, Colosseum by Days of Wonder, Le Grand Empire from Pratzten, a new Dungeoneer card game, and the entire line of Lord of the Rings miniatures from Mithril Miniatures (including some oop ones!).

PS. If anyone has an extra decent Planes of Conflict loose box or Players Guide, or a promo ship for Pirates of the Spanish Main called the "Donald Duck" please let us know.

Happy gaming,
Aaron Leeder
